30 — this is the last time Cause you and I we were born to die

Lost but now I am found
 I can see but once I was blind
 I was so confused as a little child
 Tried to take what I could get
 Scared that I couldn't find
 All the answers, honey

Don't make me sad, don't make me cry
 Sometimes love is not enough and the road gets tough
 I don't know why
 Keep making me laugh,
 Let's go get high
 The road is long, we carry on
 Try to have fun in the meantime

Come and take a walk on the wild side
 Let me kiss you hard in the pouring rain
 You like your girls insane
 Choose your last words,
 This is the last time
 Cause you and I
 We were born to die
 We were born to die
 We were born to die

Come and take a walk on the wild side
 Let me kiss you hard in the pouring rain
 You like your girls insane

Don't make me sad, don't make me cry
 Sometimes love is not enough and the road gets tough
 I don't know why
 Keep making me laugh,
 Let's go get high
 The road is long, we carry on
 Try to have fun in the meantime

Come and take a walk on the wild side
 Let me kiss you hard in the pouring rain
 You like your girls insane
 Choose your last words
 This is the last time
 Cause You and I
 We were born to die
 We were born to die
